

Adopt-A-Bench Donation Form

Please fill out all information on this form clearly.

The Department of Parks is inviting individuals, families and organizations in the Pottsville Area to Adopt-a-Bench at the JFK Swimming Pool. This project will replace the iconic "bench" that has become synonymous with the JFK Pool. The older wooden bench will be replaced through the Adopt-a-Bench program with new composite material that will last for many years to come.

Local residents and organizations are invited to make a \$75.00 donation to the Adopt-a-Bench program that will cover the purchase and installation of an 8 foot bench section and commemorative plaque.

This is a great opportunity for people to memorialize a loved one or a cause they believe in while making a long term investment in our pool.

Donor Information:

FIRST NAME		LAST NAME	
ADDRESS		CITY, STATE, ZIP	
PHONE	CELL	EMAIL	

Bench Information:
